

YEAR 11 STUDIES AT YANCHEP SECONDARY COLLEGE in 2018

Dear Parent/Guardian

The Minister for Education has announced that the new Yanchep Secondary College will open at the beginning of 2018 school year.

My name is Dr James Kent and I am the principal of the new Yanchep Secondary School.

The new school is now taking enrolments for students for years 7, 8, 9, 10 and 11 for 2018.

Students starting year 11 in 2018 and currently enrolled at Yanchep District High School will automatically be enrolled in the new school. This replaces the former agreement that students enrol at Butler College.

Staff at the new school will visit Yanchep DHS on 31 July to meet year 10 students and their teachers to discuss with them the courses at the new Yanchep Secondary College.

We are holding a parent meeting on:

**Wednesday August 9 at the Sun City Country Club
144 St Andrews Drive Yanchep
From 6.00pm – 7.00pm**

We will discuss the curriculum / course offerings for Year 11 students and the enrolment process. The building of the new school should be completed in 2017. Currently we are operating from a business unit located at: **Unit 1/99 Lindsay Beach Boulevard, Yanchep, Phone: 9264 4864.**

Please contact us directly if you have any queries or concerns.

Please confirm your attendance for the Parent Meeting either by email to Sharon.Taylor2@education.wa.edu.au or by phone 9264 4864.

I look forward to working with you and your child to achieve the WACE and transition to further study or employment.

Yours sincerely,

Dr James Kent
Principal
Yanchep Secondary College (proposed name)
21 July 2017
