## To Parents and Community Members

We have a very busy few weeks ahead of us with the P&C Reward day, Boardies Day, Music Concert, Year 6 Graduation and Maze excursion all in the next 2 weeks. As well as, of course, emailing out Student reports on Wednesday 12 December. As you will have noticed most of our classes have moved rooms in preparation for next year's rebuilding program to commence. Thank you to all staff involved in the moves and to all our students for their cooperation and help during this hectic period.

***We have applied for Thursday 13 December to be a Pupil Free Day to allow staff time to finalise the movement of resources and the setting up of the classrooms for 2019. We are awaiting final approval for the early dismissal of students from the Deputy Director General of Education and I will ensure that all parents are notified immediately the outcome of our submission is known.***

Congratulations to our Year 5 & 6 students who competed in the Rugby finals last Friday. From all reports it was a highly successful day and once again our student's sportsmanship and positive behaviour was on display. Well done to the teams and thank you to those staff members and parents who supported our teams.

I will take this opportunity to thank all those parents who have helped our school this year through either the P&C or School Council. Your contributions are highly valued and act as a very positive role model for our students. The support, particularly from P&C this year has been enormous and added a great deal to the positive school culture that we are developing. I know that they would welcome more helpers next year and any help is valuable and shares the load. Thank you also to Mrs Thrupp and the Breakfast Club team that provide students with breakfast and a chance to socialise each Thursday morning before school. The fact that this session is well attended and enjoyed by students is testament to the great job that all the team does.
