To Parents and Community Members

This is our final Yarner for 2018 and reflecting back on our first year as Yanchep Lagoon Primary School. I believe we have had a wonderful start to life as a Primary School. The staff and students have embraced the change in a fantastic manner with the culture and atmosphere at our school is very positive as commented on by various visitors throughout the year. We are very fortunate to have such an experienced and thoughtful staff who have supported our students well through this change. Our students have been terrific and continually demonstrate what a great group of people they are with their friendliness and willingness to work hard each and every day. Thank you to our parents who have supported us throughout the year and particularly all those who helped our P&C with numerous events and fundraisers. I look forward to continuing this very positive start for our School in 2019 and wish all our school community a very Merry Christmas and a safe and happy New Year.

**Alan Curtis**  
Principal
