Yanchep Lagoon Primary School website address: www.yanchep.wa.edu.au

To Parents and Community Members

We have now been notified that the official opening of our school will occur on Tuesday 29 June at 10.50am. The Minister for Education will be present along with other guests. As the Minister will also be officiating at openings at both Yanchep Rise Primary and Yanchep Secondary College on the day, the ceremony will be 35 minutes long. There will be seating available for parents if you would like to attend as well. We will be including our Kindy students in the assembly as recognition of the importance of this event. The opening has been delayed of course due to our rebuilding program which is now complete and I think most would agree that we have a great looking "new" school.

Our school oval has now been restored, however time will be needed for the new grass to settle properly and therefore students will be kept off this area until the start of next term.

Thank you to all those parents using the "kiss and drop" bays around the school correctly as we seem to have nearly all traffic cleared within 10 minutes of the final siren. I do appreciate that the traffic situation can test people's patience at times and your consideration and care around our school is great to see.

I have noticed that a few people are bringing pet dogs to school as part of the family drop off and pick up routines. Can I remind all that dogs are not allowed on school grounds. If you wish to have your dog as part of the daily routine, then please wait with them outside the school fence as some children are genuinely scared of dogs. There is also, of course, the health aspect to be considered.

Congratulations to all our Year 3 and Year 5 students who have worked through the NAPLAN testing over the last 2 weeks. Everyone genuinely seemed to try their hardest. Thank you to our "technical" team who worked behind the scenes to try and ensure that laptops worked well and any technical issues were dealt with seamlessly. Thank you Mrs Russell, Mrs Bruce, Mr Smithies and Mrs Melvin and thank you to the Class Teachers for their work in preparing our students.

Finally, good luck to all the members of our Inter-school Cross Country team which will be competing at Gingin Golf Course next Friday 28 May at the interschool event.

Alan Curtis
Principal

Simultaneous Reading
(Wednesday 19 May)

This year the theme was:

Give Me Some Space!
