8 February 2022

Dear Parent/Carer

Further to my previous COVID-19 communications, you have seen the announcement of the high caseload settings in place across WA as of Tuesday 8 February 2022. This includes additional measures to keep our schools open and providing face-to-face learning to your children.

**In the current settings, parents and carers can no longer enter classrooms, including to volunteer. In light of this, class introduction parent meetings are now cancelled, a class information package will be sent home. Volunteering in the canteen or at the uniform shop is still permitted, while following the WA Government mask wearing mandates, and physical distancing from other adults.**

You are allowed on school grounds for drop-off and pick-up on outdoor locations, but please physically distance, avoid gathering where possible and follow mask wearing requirements.

We are currently planning and implementing further ways to minimise the risk of COVID-19 entering or being transmitted at schools including:

- Moving parent-teacher interviews to online or over the phone;
- Changing indoor face-to-face events such as assemblies;
- Cancelling, postponing or modifying school events such as excursions, incursions and how the year 6 camp may run;
- Minimising parent gatherings on school grounds; and
- Wearing a mask outdoors on school site where physical distancing can't be maintained.

We are working through these changes and you will receive further communications as the details are confirmed. For more information on the high caseload protocols visit [WA.gov.au](http://WA.gov.au).

Thank you for your understanding as we take the necessary steps to keep our school safe and open for learning. **Remember, if your child is sick at all, please do not send them to school.**

If you have any queries, please do not hesitate to contact the school on 9562 8200.

Regards

**ALAN CURTIS**  
Principal
