MOBILE PHONES, IPODS, AND OTHER ELECTRONIC DEVICES

Students are not permitted to use mobile phones during school hours. Ipods can be used by Secondary Students during recess and lunch to listen to music. Students are encouraged to check these items into Admin Student Services before school each day for security and they can be collected at the end of the day. The School will not accept responsibility for the loss of mobile phones etc which have not been checked in.

In the event that students need to make contact with Parents or Caregivers for urgent or important business they may ask a Teacher, Deputy or Student Services staff to use the school phone service on their behalf. With the increase in student numbers, the Front Office at times, may not be able to deliver messages to students prior to the last bell. Parents/Guardians please assist the school by not phoning your child on their mobile phone during school hours.
