As you may be aware, Yanchep DHS has now delved into the world of Facebook. We have an Official Facebook page that you can follow.

This has been wonderful to be able to showcase all the activities, events and share current school news with Parents, Students and Community.

As with our ‘Student Photo Policy’ form, if you have legal objections to your child being included in school photos, please advise in writing and send to your Class Teacher or the Front Office.

If we do not receive any communication back, we conclude that you have no legal objections to your child being in photos.

Regards

Alan Curtis
Principal
